

## Photographic images taken at The Big Cat Sanctuary

You remain the copyright owner of your images and are free to publish images taken on-site/on a Photography workshop on your private/public websites, publications, social media etc, subject to the restrictions outlined below:

All images (stills & video) must credit The Big Cat Sanctuary and the credit should include our URL: [www.thebigcatsanctuary.org](http://www.thebigcatsanctuary.org). To avoid exploitation, permission must be sought prior to uploads onto private/public websites and The Big Cat Sanctuary may require you to confirm your understanding of the rights granted in this document and, where requested to do so, you shall provide all reasonable assistance to us in this matter.

Commercial photography is restricted on site, and you agree to abide by The Big Cat Sanctuary's rules in relation to this - namely that photographs/videos taken at The Big Cat Sanctuary may not be exploited in any commercial context without prior written consent. Private selling of images currently requires approval and an agreed 20-50% donation at the time of each sale.

Copyright of images taken at The Big Cat Sanctuary may not be sold without permission. Currently, permission is withheld for the sale of copyright/and licensing.
